Dear Logan Washboard Arts & Music Festival Supporter,

Logan Town Center is diligently planning this year's Logan Washboard Arts & Music Festival, which will take place June 15th-17th in downtown Logan. Exciting things are happening in Logan, and we are honored to be a part of the wonderful tradition of downtown events with the Washboard Festival.

The event is not only a unique opportunity to showcase the famous Logan washboards, but also to shine the spotlight on our hometown, promoting businesses and the beautiful Hocking Hills Region. Many out-of-town visitors travel to the Hocking Hills just to attend this Festival.

Once again, we will have a spectacular band line-up, playing live on multiple stages throughout each day and evening of the Festival. Artists will be showcasing Old World Craft demonstrations, including an auction to sell the goods created by these fine artists! A tractor show, classic car cruise in, motorcycle show, craft vendors, children's activities, and, of course, the infamous Washboard Train round-out the activities. There will be something for everyone to enjoy, kids and adults alike!

In our humble opinion, these activities are what make this event one of the best festivals not only in Southeast Ohio, but in the State as a whole.

Of course, none of what makes the Logan Washboard Arts & Music Festival so great would be possible without our tremendous sponsors. Without support from local businesses and individuals like you, our festival would be dead in the water! We hope you will consider a sponsorship donation, every dollar of which is tax deductible. Please see the attached flyer with our sponsorship levels and benefits including sign and program promotion.

Our greatest desire is for the festival to benefit everyone in Logan and the Hocking Hills region. If you have suggestions or would like to get more involved, we encourage you to reach out to us. We can be reached at Washboardfestival@gmail.com, or by mail at P.O. Box 1060, Logan, OH 43138.

Kind Regards,

Drew Davidson
